Applicant must be a New Jersey residential customer of JCP&L. Program valid from 7/1/21 through 6/30/24.

JCP&L, its parents, subsidiaries, employees, affiliates, agents, and the associated Investor Owned Gas Company, assume no responsibility for the performance of the product or product warranty, the quality of the work, labor and/or materials supplied, and/or the acts or omissions of the participating contractor. The customer hereby agrees to indemnify, defend, and hold harmless JCP&L, its parents, subsidiaries, employees, affiliates agents, and the associated Investor-Owned Gas Company from any and all liability associated with this project.

JCP&L and/or its designees including program administrators and evaluation contractors reserve the right to review installations to verify completion and measure energy savings to ensure compliance with all program requirements. Such reviews will be made at a time convenient to the applicant. Misrepresentation of installation location or measure eligibility may result in forfeiture of the rebate. Costs of these programs may be recovered through customer rates in accordance with New Jersey law. For a complete list of commercial, industrial, residential, and low-income energy efficiency programs, please visit energysaveNJ.com.

By submitting this agreement, customer agrees to the terms and conditions of this document and certify that the information provided is true and accurate. Participation and program services may be limited to available program funding.

By participating in the Company's energy efficiency and peak demand reduction programs, customers agree their electric utility will maintain ownership of all Capacity Rights from electric savings measures, which refers to the demand reduction associated with any energy efficiency and peak demand reduction measure for which incentives were provided by the Company. Your electric utility will aggregate these energy efficiency demand reduction attributes into the PJM capacity market as appropriate, with proceeds being used to reduce customers' costs for the programs.
